

California Farm Bureau introduces...

ID Theft Protector A Keenan Solution

24/7 Peace of Mind

ID Theft Protector offers real peace of mind and comprehensive, real-time identity theft recovery service for you and your family to quickly and easily recover from identity theft.

24/7 "real time" access to credit bureau records allow specially trained and certified fraud resolution specialists to identify the crime, respond quickly to stop additional damage, remove fraudulent activity from the victim's name and regain control of your credit history.

With ID Theft Protector, resolution services happen much more quickly than with competitive programs. Whenever and wherever a victim's identity is stolen, ID Theft Protector begins to make it better right away - with only one call to our 24/7 emergency assistance center.

Backed by Industry Leaders

ID Theft Protector, powered by ID Theft Assist, is backed by two of the largest and most experienced companies of their type in the identity protection business: CLC, Incorporated and TransUnion/True Credit.

CLC provides Legal, Financial and Identity Theft protection services to over 27 million households and over 25,000 corporations. TransUnion/TrueCredit, a leading provider of business intelligence, consumer information and Web-based services helps consumers prevent and resolve credit fraud and identity theft issues, supported by more than 3,600 employees in 25 countries worldwide.

\$1,000,000 Cash Asset and Expense Reimbursement

Up to \$1,000,000 in identity theft insurance with a zero deductible for unauthorized electronic funds transfers from personal checking and savings accounts as well as certain fraud-related expenses, such as lost wages, reasonable

attorney's fees (appointed by the insurance company) along with other out-of-pocket expenses that are related to the recovery of your identity. To establish eligibility you must enroll in Identity Theft Monitoring.
