At the end of the exit, turn right onto Sanborn Road (which is the same as Blanco Road west of the highway). Use the first entrance into the parking area after Merrill Street.

Directions from Monterey: Drive east on Hwy. 68 toward Salinas. At the first stop light in town, turn right onto Blanco Road (there is a Nob Hill Market on the left as you approach this intersection, and the street is noted as Main on the above map). Turn right onto Abbott Street at the second stop light and proceed a half-mile; on the right will be Merrill Street, the first intersection; immediately beyond that street is the Farm Bureau office. Use the first entrance into the parking area after Merrill Street.

Parking is available on our property (including in the carport area under the building) or in the lot to the left upon entering the driveway. There is no parking available on Merrill Street due to heavy truck traffic.
